

Ames Exploration Encounter

The AEE is a free one-hour unique virtual educational program. It is designed for 1st through 6th grade students to experience science, technology, engineering, and math (STEM) in action.

Registration for the Spring 2023 session is now open. Availability is limited and registration is first come, first served.

Register your 1st - 6th grade class in this free program at:
nasa.gov/feature/ames-exploration-encounter-virtual-registration/

*All session times are Pacific Standard Time
